ACADEMIC LEADERSHIP CHARTER SCHOOL

JUNE 2026

As we wrap up another wonderful school year, we want to thank all of our families for their continued support. It has been a joy watching our students grow as artists, creative thinkers, and problem solvers throughout the year.

This month, students explored a variety of exciting projects. Many classes created artwork inspired by food, using drawing, painting, collage, and sculpture techniques to celebrate some of their favorite meals and treats. Students also completed colorful yarn paintings, learning how texture, line, and pattern can be used to create unique works of art. Students also created flags for our school wide culture day.

We were also proud to participate in two special end of year celebrations. Students contributed artwork and creative efforts for Broadway Comes to the Bronx, showcasing their talents and helping bring the performing arts to life with the guidance of Ms. Hogan. During Culture Day, students celebrated the many cultures represented within our school community through presentations and delicious foods from around the world.

Thank you for a wonderful year! Have a wonderful, safe, and creative summer!
